PHILOSOPHICAL SOCIETY

The first meeting of the newly formed Philosophical Society will take place November 10 at 7:30 p.m. in the second floor lounge of the RotC department, two well planned and well executed presentations coupled with a not planned but well executed 'riot', made for some very in-

futuristic programs.

Sophos Capture Crew, Set Field Day Mark

Playing under the worst weather conditions possible, the Class of '58 football team won a close and hard fought game with the Class of '59, in the first annual Field Day, 12 to 6. Both teams played fairly evenly, but the Class of '59 had the advantage. Nowhere was this more apparent than in the running back position. The '58 backfield was held back by the defenses of the Class of '59. The '58 backs were held back by the defenses of the Class of '59.

Soph's Length Ahead Of Seniors
To Win Annual Football Day Crew

The favored sophomore heavyweight crew came through as expected to take the Class Day crew title handily by a length and a quarter in the component early season time of seven minutes thirteen seconds on the Harvard flume of six and five-sixteens. Essentially the same boat as last year's strong float outfit, we took an early lead and were never seriously threatened.

Taking a three seat lead with a powerful twenty stroke finish, the sophomores really pulled out at the falling Pavilions. Their advantage was a full length passing Walker Memorial and drawing a strong 20 to hold it throughout the run with apparent ease.

The junior-senior battle for second place was close for three-quarters of the race, an 11 to 10 score.

In the deciding 200-yard freestyle relay, the Freshman team of Devine, Jacobson, and Brooker came in about five yards behind the winning Soph team. The '59ers also took third third to win the match.

Eckberg, Kipp Score Touchdowns For Sophomores In Field Day Football Victory Over Freshmen

After receiving the kickoff near our 20, Kipp ran the ball all the way for the first score of the day. The ball was fumbled near our 30 after receiving the kick, with Tom Remillard recovering for the Frosh to break up the drive. At this point, Kipp had run for a total of 68 yards. The Sophs led the Frosh 7 to 0 at this point.

In the second half, the Sophs continued to dominate, scoring a touchdown on a run by Kipp to take the score to 14 to 0. The Sophs held the lead throughout the game, winning 14 to 0.

THE BRASS CHOIR

By Daniel Schneider '57

It is not often that the Musical Club presents a free concert which few fans are in such high favor. The chorus is considered one of the finest in the country.

The concert was recorded in Schubert's great organ music. It was an excellent one and it provided a fine opportunity for the audience to hear the choir at full power.

The first performance of opera in the Kresge Auditorium will be held on November 12, at 8:00 p.m. The opera will be WAGNER'S "TANNHAUSER." The production will be directed by Professor Liepmann. The orchestra will be conducted by Klaus Liepmann, the music director of the Boston Symphony Orchestra.
