Stu Gov Proposes Column In the Tech: Cite Franchise, Question Power To Print

How much control over The Tech is legislatively vested in Institute Committee, and how should this control be exercised? The Tech was asked these questions in a statement included in the announcement of the committee.

The resolution of the committee is to be published in the next issue of the newspaper, to be printed on the last day of the academic year.

The committee is to be composed of five members, to be chosen by the student body, and to be appointed by the President of the university.

"Electra"

The garden terrace of Argonnis's palace in the city of Argos provides the setting against which unfolds the ancient Greek drama, "Electra." The present version of the plays was written by Jean Giolouas, staged by the Staff of PMTs and directed by Prof. William C. Greene.

All bridge players, members and non-members, are invited to participate.

"Candide"

Candide, now playing at the Colonial Theatre, is a lush, "candied" musical. The play, written by Lillian Hellman, is based on the book of the same name by Voltaire. It follows the adventures of Candide, a naive young man played by Robert Rosenaur, as he travels over the world seeking his love, Lady Candegonde, played by Barbara Cook.

The play begins as Candide is about to wed Lady Cer-

All-American kicks and crushing tackles put a brutal squeeze on the rubber in a football. But footballs with bladders of Butyl rubber take punishment in stride... hold air indefinitely... resist weather extremes. Developed from oil by Esso Research, Butyl rubber is out-performing natural and other types of rubber in hundreds of ways. Proof, once again, that Esso Research works wonders with oil!

Harriers Place 7th
In New England;
Maine Takes Meet

A steadily improving MIT cross country team made one of its best showings last Monday as they placed seventh out of fifteen starters in the annual New England Championship meet held at Franklin Field. Captain Dave Vaughan '57 ran one of his best races of the season as he placed 39th and helped teammate Pete Cutcher '60 who placed the 78th spot. Also making a good showing for the Engineers was Rod Swift '58 who closely trailed Cutcher in the number 42 spot and Bob Schreiber '57 clocked behind in the 49th position. Tech soccer star was Glenn Bennett '57 while Bars McNally and Jim Pearson rounded out the team.

The individual race was won by D.C.'s Len Stegall by a half minute margin, but even this win was not enough for Connecticut to beat Maine as the Orono team took the trophy by a 36-47 margin. Brown edged New Hampshire for fourth with Providence and Rhodes Island also leading the Tech harriers.

Bob Morano turned in Tech's best individual performance of the day as he placed seventh among the freshmen, but Tech's other freshmen were far behind, leaving MIT 12th out of 13 teams. Other promising harriers were Ed McCarthy 6th, Bob Multi 12th, and Bill Bailey '59 and Ray Fletcher 8th. Both were definitely handicapped by a mistake in execution which prevented Captain Dave O'Grady from coming to the finish. On the weekend, the team will travel to New York for the IOAA meet at Van Cortland Park.

Burke Coaches Quintet;
Changes With Whitelaw

In a reorganizational move announced last Friday, John H. Burke, Jr., takes over the position of varsity basketball coach, replacing Scotty Whitelaw who switched to the helm of the fresh men quintet. Scotty's decision to leave the varsity which he has coached successfully for three years came as a result of his additional duties as Director of Physical Education. Burke, a newcomer at Tech this year has had four years of experience as fresh men coach at Westminster, and one year as athletic director and basketball coach at Grosse Pointe High School in Michigan.

At Springfield, Burke won four varsity lettees in basketball, captaining the team in his senior year. He also won letters in baseball and football, and continued his baseball in the minor leagues. He takes over an inexperienced Tech quintet that can boast only one returning starter in Cap-

Dartmouth sprinted past Harvard, after staying even all the way, yet still rowed a good race. The JVs lacked a few of its possible starters, but still won a three boat victory over the University rowers. This informal race marks the only real competitive other than class day races tomorrow, that the teams enjoy in the fall. The varsity lights were: Phillip, Marx, Hollisone, Blynson, Schla- thener, Zacher, Fleiser, Man, and Captain Root. The lightweight boat- ing was: Riehelt, Captain Ibleiden, Talman, Lastham, Hooper, Boorich- er, Bowman, Sted, and Blinot.
