Senior chemists have four half-holidays a week.— *Yale Record*.

Yale has received $50,000 for a chemical laboratory.

An '84 civil, the other evening, won the heartiest approbation as his manly form made a second appearance upon the stage . . . this time for the purpose of carrying off a chair.

We notice by the *Railroad Gazette* that Mr. F. G. Darling-ton, '81, has been appointed Engineer of Maintenance of Way of the P. C. & St. L. R. R.

A red nose and the presentation of a body to a medical college are both dead give-aways. — *Ex*.
