PREPARATION
FOR THE
Massachusetts Institute of Technology
Is a specialty at CHAUNCY-HALL SCHOOL, Boston, Mass., and its re-
markable success can be ascertained from the Chairman and Secretary of
the Faculty of that Institute.
It aims to fit its candidates so
thoroughly that they will not be
weighted by "conditions" to be
made up after entering, when all
their powers are needed for their
regular work.
The School is within two minutes'
walk of the Institute, affording the
teachers who are preparing the cans
didates with unequalled opportunities
for consulting the professors.
Successful preparation is made
also for College and for Business.
Chauncy Hall is the oldest and largest
private school in Boston.
