LONDON & PARIS NOVELTIES.

A most simple and perfect device for holding a dress or ordinary folded tie in place on a standing collar without the use of pins or "bad language." It can be adjusted to any tie in a moment. Mailed on receipt of 10 cents by the inventors and manufacturers, NOYES BROS., 4 Summer St., Boston, U. S. A.

A Terror.
What wild alarm rings through the calm night air?
Sounds it a knell of death or grim despair?
What frightful terror can there be abroad,
To wake these clanging bells to such discord?
They ring and rant within my very room,
They fill my ears with sounds of coming doom,
'Till, numb with terror and with wild affright,
I spring from bed to glare into the night.

And then I find what made the grand uproar;
It was a sound you all have heard before,—
A little clock which said, between its ticks,
"Get up, my slothful friend, 'tis half past six." XED.

PREPARATION
FOR THE
Mass. Institute of Technology
Is a specialty at CHAUNCY-HALL SCHOOL, Boston, Mass., and its remarkable success can be ascertained from the Chairman and Secretary of the Faculty of the Institute. It aims to fit its candidates so thoroughly that they will not be weighted by "conditions" to be made up after entering, when all their powers are needed for their regular work.

The School is within two minutes' walk of the Institute, affording to the teachers, who are preparing the candidates, unequalled opportunities for consulting the professors.

Successful preparation is made also for College and for Business. Chauncy Hall is the oldest and largest private school in Boston.

COLLINS & FAIRBANKS,
