How To Dress Well.

Many engaged in business or study have little thought for matters of dress. We have inquired nearly every day the proper dress for a Day or Morning Wedding, an Evening Wedding, a Dinner, or for the Opera. To meet these inquiries and also for the convenience of our customers, we have issued a little publication of "Passion Notes," giving all the latest points in regard to dress. We will be happy to present one to any one who may request it.
