At a recent meeting of '84 it was voted to meet once again at Young's Hotel, and a committee was appointed to draw up a constitution for a permanent class organization, to be presented at said meeting. The meeting will be held on Wednesday evening, May 21, and a large attendance is looked for. We are glad that THE TECH's suggestion was so quickly acted upon.

It is announced that an innovation is to be made this year in having the graduating exercises of '84 in the afternoon instead of in the morning, as heretofore. On account of the size of the class, it is also rumored that the graduating class is not to sit upon the stage, but is to occupy the front seats on the floor of Huntington Hall.

PREPARATION FOR THE
Mass. Institute of Technology
Is a specialty at CHAUNCY-HALL SCHOOL, Boston, Mass., and its remarkable success can be ascertained from the Chairman and Secretary of the Faculty of the Institute.

It aims to fit its candidates so thoroughly that they will not be weighted by "conditions" to be made up after entering, when all their powers are needed for their regular work.

The School is within two minutes walk of the Institute, affording to the teachers, who are preparing the candidates, unequalled opportunities for consulting the professors.

Successful preparation is made also for College and for Business. Chauncy Hall is the oldest and largest private school in Boston.
