FINE POTTERY, GLASS and LAMPS.

The subscribers invite attention to their stock of the above branches, which we dare say is not excelled on this continent. One of our firm visits the Potteries of England, France, Germany, China, and Japan, seeking the best products from original sources. We have also specimens from the best home manufacturers, comprising desirable exhibits of useful and ornamental supplies, to which we invite inspection. Six Floors, Wholesale and Retail.

JONES, McDUFFEE & STRATTON,
