Did you go to Springfield, Wednesday?

The Catalogue for 1885-6 comes out this week.

How much studying did you do Thanksgiving?

Amherst and Tufts will replay the first game of their series.

Mechanicals should be especially interested in football, it is such a block-and-tackle game.

The first rehearsal of the Glee Club took place on the 19th inst.

All the juniors not in Course III, begin Physical Laboratory this week.

The lectures in industrial chemistry are this year illustrated with the stereopticon.

The junior geologists made an all-day excursion to Marblehead last Saturday.

The Architects are complaining of too much work, and too little time to do it in.

The fourth year mechanicals have begun engine-lathe work at the shops.

'87 have elected S. W. Bowles, Jr. and Quintard Peters to the gymnasium committee.

At any rate, there are no goose-eggs in our league record this season, and in total number of points won the Tech still stands ahead.

The Herald was not far off in calling Holden the best player in the Northern Intercollegiate League.

Sufficient space was reserved in making up Technique so that the record of the entire championship series will be published in it.
