Bathing.
For removing the secretions of the pores of the skin, leaving a healthy surface, Silk Towels are better than anything else known. They should be used as a sponge, with soap and water, or by racks, and like washes. They are the best Face Cloth known.

For General Household and Hotel Use.
Wet with pure water (no soap required), in Wiping Table Glassware, Cleaning Paint, Cleaning and Polishing Windows, Cleaning Linoleum Carpets, Cleaning Metal Signs, Cleaning Furniture, Mirrors, and Washing Dishes.

They are a Success. They are Very Durable.
Soft as a new Chamole, never getting hard, to scratch the most highly polished Furniture. Unlike a sponge, which is never clean but once, namely, before it is used, a Silk Sponge Towel can be easily washed, and is then as clean as new. They are an absolute necessity to those who take a pride in their housekeeping.

A Card to Cigarette Smokers.
Owing to the persistent attempts of numerous cigarette manufacturers to copy in part the brand name of the "Richmond Straight Cut"
now in the eleventh year of their popularity, we think it alike due to the protection of the consumer and ourselves to warn the public against base imitations, and call their attention to the fact that the original straight cut brand is the Richmond Straight Cut No. 1, introduced by us in 1875, and to caution the students to observe that our signature appears on every package of the genuine straight cut cigarettes.
