To compute the deflection of springs, tra la,
Is rather a queer thing to do;
But it's one of the curious things, tra la,
A beneficent Providence brings, tra la,
To the chaps taking course number two.
So you'll pardon my mirth if I gleefully sing,
While I figure the d and the V of a spring.
Tra la la la, etc. (ad lib.)

General Daniel Pratt's well-known countenance is again seen about the Institute, and numerous Freshmen have had the pleasure of meeting the old veteran for the first time.

He will soon leave town for his winter residence on Thompson's Island, down the bay.

Better take a good look through our advertising columns when laying in your winter stock of clothing, or before fitting up your room for the winter months. Be sure and mention the Tech when you buy.
