That Tech. Excursion.

The Excursion of Tech. men to Charlottetown, Prince Edward Island, and return, on the same steamship of the Boston, Halifax & P. E. I. S. S. Line, has been definitely arranged for Saturday, June 4th.

This excursion was made last summer by a large number of people, as a substitute for a trans-Atlantic trip. It is, in fact, an ocean voyage, deprived of its monotony by frequent stops at interesting places.

As all the arrangements have been made, it will only be necessary for those desiring to go, to give their names to the ticket agent at the wharf, when they purchase their tickets, and the staterooms which have been reserved will be assigned to them. For further particulars see H. C. Spaulding, '87; G. C. Dempsey, '88; G. M. Basford, '89; or W. Z. Ripley, '90.

Vale!!

The Advertising Department now makes its little bow, thanking its patrons for favors past, present, and to come, and bespeaking a continuance of the same for next year's management. Our next issue will be to advertisers only, and will consist of a single sheet, with a blank for our signature, which will be furnished on reasonable terms. We hope to find you in when we call.
