Remarks We Hear Concerning Our Crawford Shoe.

"The most comfortable shoe I ever wore."  "Do you mean to say that even your $3 Shoes are made of the best Stock you can buy?"
"Easier than shoes I have had made for me."  "How can you sell your Hand-sewed Shoes at the same price of a machine-made shoe?"
"Can't understand how you do it."  "I have always had trouble in breaking in a shoe. Your Crawford Shoe requires no breaking in."
"No more $12 shoes for me."  "I have never before had a shoe fit my foot, unless it was made to order."
"Hope you will keep your Crawford Shoe up to its present high standard."  "I find a new pair of Crawford Shoes as easy as the old ones I take off."
"Wouldn't have believed I would ever have worn a shoe costing only $4."  "All my friends wearing the Crawford Shoe praise it."
"Have never had a moment's discomfort from your shoe since I first put it on."  "Don't you mean to say that even your $3 Shoes are made of the best Stock you can buy?"
