The Sophomore-Freshmen Game.

Amid the irritating blasts of horns, and the heartrending discords of two German bands, the Sophomores defeated the Freshmen in the annual struggle for baseball supremacy. A beautiful day, a jolly, enthusiastic crowd, and a true spirit of class rivalry made the game interesting, although somewhat one-sided.

The game began promptly, with '96 at the bat. The first inning was uneventful, but the second virtually decided the contest. One after another the Sophomores drove the ball where they wished, and when at last the side was retired, '96 had 9 runs and '97 none. Again Burnett, who was at his best all through the game, shut out the Freshmen with his steady pitching, and the excellent support which Howland gave him.

In the third inning an unfortunate accident occurred. Goudry, the catcher of the Freshman nine, collided with McCarthy, the 3d baseman, while running for a foul, and was so badly injured that Weymouth was obliged to take his place.

During the latter part of the game the Freshmen played a much better game, and Burnett's pitching lost some of its effectiveness.

The Sophomores played a steady game from beginning to end, but the Freshmen, although badly beaten, made many brilliant plays. Page and Ilsley made a very pretty double play, putting one man out on a fly and another at second, while Page made a running catch in the eighth inning that was phenomenal, and he well deserved the cheering that he received.

For the Sophomores, Burnett '96 and Howland both did excellent work. Lewis did the best fielding for '96, and his batting and base running were also excellent.

The score by innings was as follows:
