The Yacht Club.

A meeting of the Yacht Club was held on April 6th to consider the advisability of racing off Newport about June 29th with the Harvard and the Yale Yacht Clubs. After some discussion the matter was referred to a committee composed of Messrs. Swasey, Sturtevant, and Field, which is to take such action as it may deem fit after having ascertained how many of the boats belonging to the Club can be counted upon to take part in such a race. This committee will also make out the schedule for the Club cruise.

It was voted to have the next dinner on May 8th, and Messrs. Swasey, Howard, and Winslow were appointed a committee to make the necessary arrangements.

The Club "shingles," which are now out, are of very attractive and appropriate design. The device at their head consists of a gilt anchor, upon which is a circular shield, bearing the white T of the Club with its blue star.
