330 THIS WEEK.  
We have 330 different patterns of chiffonieres now in stock.  
They represent collectively the ideas of many clever customers who have given us new views of human needs. Some are very artistic in design, and attract much attention from visitors.  
We have some that cost no more than a packing box. From this price level they travel upward to the elaborate replicas in marquetry of famous exhibition pieces, gorgeous in their brass mountings and replete with every known convenience.  
Keep one point clearly in mind. We can do better for you on a new chiffonniere than any house in this city. You can see five times as many styles here, and all are marked at Canal Street prices.
