A NOVEL SEAT.

Talent of a very high order conceived this design. It awakens all the ardor of ancient art. It has “the grace of a water-course and the easy habit of a cloud.”

We build it of dark Belgian oak with a color exactly counterfeiting the old monastery chairs of the 15th century. The frame reaches up to the neck of the sitter. Being circular it may be said to have three different backs facing three ways, as the sitter elects.

There is no piece of furniture which will attract so much attention in your house. And it is the perfection of comfort. Yet it costs a mere trifle.
