What will You do after Graduating?

If you desire to enter a profession that is not overcrowded and offers an opportunity for a large immediate income,

Study...

OSTROPATHY

at the

Boston Institute of Ostropathy.

(Incorporated under the laws of Massachusetts)

Ostropathy is a science based upon a thorough knowledge of the fundamental subjects of medical science, and its wonderful results are obtained by a specific application of the principles laid down in Anatomy and Physiology.

The Course is twenty months in duration, and includes all the branches taught in a regular medical college, with the exception of materia medica.

The Degree conferred is that of

Doctor of Ostropathy.

College men and women all over the country are entering the new field.

Write for catalogue and general Ostropathic literature.
