HARRY L. BROWN, Manager.

In Gulliver’s Travels

We are told that “he gave it for his opinion that whoever could make two ears of corn or two blades of grass to grow upon a spot of ground where only one grew before, would deserve better of mankind, and do more essential service to his country than the whole race of politicians put together.” Now, Gulliver introduced us to many wonderful things, but he did not say anything about Brobdignagian bargains at Lilliputian prices. If he had had any idea of an overcoat being offered for $10.00, $12.00, $15.00 and $18.00; Suits for $8.00, $10.00, $12.00 and $16.00, he might well have asked the name and address of the establishment.
