finally finished two yards ahead of Arnold.

Field easily captured the two-mile run and might have made better time had he been pushed.

The two-mile bicycle, held at Charles River Park, was easy for Murray, and Eveland beat Clark by several yards.

Wentworth beat Wilder in the running broad jump by six inches.

Wentworth also captured the running high jump by clearing five feet, three inches. His nearest neighbor was Winchester who jumped five feet.

Baxter, scratch, won from Kellogg in the pole vault by clearing nine feet, four inches, while the latter did eight feet, nine inches.

As these events have not yet been contested it is not decided which class has won the most points. As it now stands, '01 has 34 points to its credit, while '02 has 33, but since there are only two '02 men entered for the remaining events, it is probable that '01 will win out.
