"Under the Mistletoe."

It is said—"The Mistletoe was originally the forbidden tree
in the garden of Eden," which would account for the peculiar
privileges allowed under it. The story lacks confirmation; and
we wish to speak of only what we know.

We know that the best bargains in men's and boy's clothing,
especially suits and overcoats, to be found in town are found at
OAK HALL.

We know that the leather jackets we are selling are the best
protectors that, in bad weather, can be had.

We know that the public is too busy to read advertisements,
so with the best wishes for a Merry Christmas to all our friends,
we invite an inspection of our holiday goods.

"A slice to a pipeful" is one reason
why Old English Curve
Cut pipe tobacco is so
popular. The
curved tin box that fits any pocket is another reason. No other
pipe tobacco has ever made as many friends in so short a time.
"It disappoints no one."

A trial box will be sent to any one anywhere on receipt of ten cents in stamps. Address Old
English Department, The American Tobacco Co.,
95 Fifth Ave., New York City. All dealers sell it.
