C. V. Merrick simply convulsing the audience. At the close of the concert about one hundred of the young people adjourned to the ballroom of the Surfside Hotel and danced until the small hours. All were unanimous in declaring the entire trip a success beyond measure.

The Relay Team.

At the meet of the Boston Athletic Association to be held in Mechanics Building on Feb. 3, 1900, our relay team is entered for the first race of the year. The race will be with Bowdoin, who, it will be remembered, holds the championship of the N. E. I. A. A., won at Worcester last spring.

Manager Graham offered to the M. I. T. relay team the choice of running either Wesleyan or Bowdoin, and the latter opponent was chosen. Among Bowdoin's men is Cloudman, who has covered 100 yards in 9½ seconds, thus tying Wefers and Duffy for the world's record. Arrangements are also being made to provide for relay races with Brown and Dartmouth.

As the race with Bowdoin comes almost immediately after two weeks of exams, it will be all the more creditable for us if we win. The prospects for a successful relay team are, however, very bright, with all of last winter's team back, and several new aspirants for a place on the team. Rowe and Pember are among the most promising of the new men who will try to make the team. M. W. Hall has been re-elected captain.

The hockey team is now nearly made up and practices regularly. Following is the list of those trying for the various positions:

Forwards—Smith, '02, Field, '02, Trewholme, '01, Gardiner, '02, Walworth, '00, Eveland, '01, Currier, '03, Magnitzky, '03, Williams, '03, Carr, '01.
