Boggs, '04, from scratch ran a fine race but was unable to overcome the handicaps of the new men.

A large field started the mile run, Nichols, '05, soon taking the lead and winning the event in good time, considering the wind. He ran in good form and with judgment should prove a good addition to our distance runners. Sprague, '05, won second after a good race. Peaslee, '03, the scratch man, made a gamy try early in the race but could not catch the Freshmen.

Nichols duplicated his performance in the half-mile. Here as in the mile he ran a fine race and won out with a good margin. Pul-sifer, '03, from the limit mark surprised the talent, holding the lead for more than a lap and finishing strong in second place.

Riley, '05, held the lead all the way, after the first lap, in the two-mile. Sweet, '04, and Peaslee, '03, the scratchmen, were unable to catch him, although the former made a splendid try in the sixth lap and pulled well ahead of Peaslee. Unfortunately Sweet, having come from Cornell this year, is not eligible for the track team next spring. We shall look for good work from him in 1903.

Both events in the hurdles were satisfactory. Fuller, '05, won the low hurdles handily, Grant, '02, the scratchman doing well in both. In the high hurdles owing to a mistake the course was one hurdle too short. In spite of this Kruse's win in 15-2 shows him to be a good man.

Both the high jump and pole vault were closely contested. Curtis, '04, did good work in both events. Berry, '05, although jumping in poor style, only failed at 5ft. 7in. and cleared this later in practice. Emerson, '05, won the high jump with an actual jump of 5ft. 5in.

The pole vault promised to be a three-cornered tie, till Curtis won first, clearing the bar in grand style at a height of 10 ft. 1 in. Berry and Mackie tossed up for second place, the former winning.
