The Fall Meet.

The Annual Fall Handicap Meet of the Tech Athletic Association was run off last Saturday at Tuft's oval. On account of an unexpected delay in starting, only ten events were run off; the 220-yard low hurdle, shot-put and discus-throw being postponed.

The star of the meet was Capt. George A. Curtis, '04. K. Tsuruta, a Japanese student, did fine work in the mile, finishing first after making one of the pluckiest runs of the day.

The judges were S. Gunn, '04, and W. Tufts, '05; starter, J. F. Mahan; timer, T. E. Jewett, '05.

Sophomore Football.

The 1905 football squad is still too small. Men should come out now and give the team a better scrub to play against. With next week's practice the team is supposed to be ready for its final game, and it is the duty of every man to come out and do his share.
