Hearn has done the work for the last two years, and has given perfect satisfaction. Seniors who wish to have their photographs finished in time for Christmas, must have their sittings on or before Saturday, Dec. 13. The prices will be: Carbonettes, $8.00 for fifty; $3.00 for the first dozen, and $2.00 for extra dozens; Platinums, $12.50 for fifty; $4.50 for the first dozen, $3.00 for extra dozens.

President Pritchett addressed the Y.M.C.A. meeting last Tuesday afternoon, giving a practical talk on “The Professional Man’s Relation to Society.” There was a large attendance. All students are most cordially welcome to these meetings.

The walls of the Tech Union have been left bare, in order that the student body may decorate them as they see fit, and thus help in making the place their “home.” A House Committee, consisting of Laurence H. Underwood, ‘03; H. S. Morse, ‘03; C. L. Homer, ’04; Norman Lombard, ’05; William Neilson, ’06, has been appointed to take charge of the rooms, and any suggestions for decoration will be referred to it.
