College Doctor

Pond's Extract is an everyday *stand-by* among college students. They know that it is a sovereign remedy for the many accidents incidental to school life. Pond's Extract—the old family doctor—might with equal propriety be called the old college doctor. For over 60 years Pond's Extract has been doing a work of mercy—curing cuts, bruises, burns; relieving aches and pains; easing suffering, and making life brighter. It is just as efficient to-day. A bottle should always be kept convenient. Soothes and freshens the face after shaving. Don't experiment with so-called remedies said to be "just as good as Pond's Extract"—*there is no substitute*. Watered Witch Hazel, a weak solution—sometimes offered in place of Pond's Extract—has no medicinal value—is positively worthless. Pond's Extract CURES—therefore is priceless.

*Sold only in sealed bottles
under buff wrapper.*
