This evening, preparation for the Field Day will be over, and each of the teams must stand or fall on its own merit. There is one thing more that may be done for them. Support them! The teams are to strive, not for their own glory, but for the glory of their respective classes. Root! Sing! Yell! Cheer! Often times enthusiastic rooting at the right time will win the day, and Field Day will offer an excellent opportunity to show your spirit. A year ago '06 defeated '07, winning all the events. Every Senior should be there with the express purpose of seeing '08 defeated. Every Junior should be there to show '08 the spirit that will win. The Sophomore and Freshman have no excuse for being elsewhere — it is their contest. Everyone should be there and help to make our first Field on our own grounds a tremendous success, and to see that no one leaves the field without believing in the Tech spirit.

A Word Beforehand.

In past years there has been a rivalry between members of the contesting classes. This year Field Day is over. We do not care to say whether or not this is right, but we do caution the possible participants in one respect. When the cry “Down!” is heard, every man should press back, as some man has fallen, and may be dangerously injured by the students unless the cry is immediately heeded.

Tech Show Management.

The following men have been chosen for the management of the Tech Show:

- P. E. Hinkley, general manager;
- R. K. Terry, stage manager;
- R. W. Parlin, business manager;

Notice.

All men who have been appointed gatekeepers and ticket-sellers will meet in Rogers Corridor at 4 P.M. to-day (Friday), and be taken to the Field to receive instructions.

Notice.

Officials in undergraduate organizations are requested to hand to Mr. Powers a special tabular view card showing the recitation or lecture room in which they may be found.

1907 Class flags will be given out to men who have signed for them, at the janitor’s office, Rogers, Friday, 1-3, and Saturday, 9-12.

If any absent, please hand in a card showing your name. There is one thing more that may be done for them. Support them! The teams are to strive, not for their own glory, but for the glory of their respective classes. Root! Sing! Yell! Cheer! Often times enthusiastic rooting at the right time will win the day, and Field Day will offer an excellent opportunity to show your spirit.

There is absolutely no Cigarette to compare to the "MENTOR" in smoothness, aroma and delicacy. It appeals to the "educated," not to the "hoi polloi." Please give it a trial. Made in three numbers.
