### Gymnasium Classes.

Regular class work in the Gymnasium will begin Monday, November 14. There will be two distinct classes on Mondays, Wednesdays and Fridays, from 4.15 to 5.00 and from 5.05 to 5.50 respectively. The hours between 4.00 and 6.00 on Tuesdays and Thursdays will be devoted to heavy gymnastics and individual work. Students are urged to attend regularly and promptly the classes they may choose, and to remain in the squads to which they are assigned. Such co-operation on the part of the members of the classes aids greatly in making gymnasium work noble, progressive and interesting.

All students intending to enter the gymnasium classes, who have not already taken a physical examination, should do so as soon as possible.

### Stereotomy.
