### Technology Hockey Team.

A movement is now on foot to revive the Varsity Hockey Team. Candidates have already been called out and about thirty men have reported. In order that this hockey team may materialize, it must have money. Up to the date of this writing, about half as much as is needed to run the team has been collected. This money is not to be used for buying uniforms or any small details, but to build a rink in which the team may practice. The site for this proposed rink has been chosen. It is expected that it will be built on the land adjoining the shops on Garrison Street.

It may seem impossible that Tech men can show so little college spirit that they will not give even a small amount to the Varsity Hockey Team, but nevertheless, it is true. Many men are financially placed so that they are not able to help the team, but all these men politely explain their reasons for not contributing. The men who are to be blamed if the Hockey Team does not materialize are the men who laughingly joke when asked to contribute, and in doing so place the fellow trying to collect in a very embarrassing

and trying position. These jokers prove themselves to be entirely lacking in goad Tech spirit.

Hockey practice will be held in the gymnasium on Thursday evenings at 8 P.M.

### 1905 Class Meeting.

1905 Class meeting will be held Friday, at 1 P.M., for the election of the Portfolio Committee. It is important that every member of the Class should be present.

### Fourth Year Electrical Engineering.

For the remainder of the term the first hour of each laboratory exercise will be given up to a laboratory conference. Monday, 11 to 12, Sect. 2, Room 30 Lowell; Tuesday, 11 to 12, Sect. 5, Room 29 Lowell; Wednesday, 11 to 12, Sect. 3, Room 21 Lowell; Thursday, 11 to 12, Sect. 4, Room 30 Lowell; Friday, 11 to 12, Sect. 1, Room 31 Lowell.

### Course XI.

The course in Chemistry of Water and Sewage, will begin Tuesday, November 22. The Tuesday lecture, 9-10, will be given in Room 8, Eng. C. The Wednesday exercise, 10-11, will be in Room 23, Walker. The work in water analysis will begin Friday, November 18, at 2 P.M., at which time the class will please report to Mrs. Richards, at her laboratory in the Walker Building.

President Pritchett requests every man who has not yet seen Mr. Taintor about the torch-light affair to do so at once. Mr. Taintor may be seen daily from 10 A.M. to 5 P.M., in Room 9, Eng. C.
