FACULTY NOTICES.
Owing to the fact that there is to be a meeting of the Massachusetts Teachers' Association in Huntington Hall, Saturday, November 26, there will be no Military Science lecture on that date. Dr. White will give his second lecture on "Personal Hygiene" on December 3.

Professor Hofman will give his lecture on "Metallurgy of Iron" on November 26 (next Saturday), in 22 Walker instead of 23 Walker, as originally announced.

Topographic and Field Geology.
The last of the course of lectures on "Selected Chapters in Phiahograpy," by Aitbrecht Peneck of Vienna, Austria, will be given in Huntington Hall on Friday evening, November 25, at 8 p.m. The subject of this lecture will be "Climatic Features in the Land Surface." Tickets with reserved seats may be secured free by applying to Dr. Johnson. This lecture will prove of great value to the students in Topographic Geology, all of whom are urged to attend.

Course XIII. A, Third Year.
The Organic Chemistry exercises for the remainder of the term will be held Mondays at 10 and Thursdays at 11.

German II.
Second Year VI. (1) and VIII. (1 H). The exercise on Wednesday is transferred from 12 to 10.

Least Squares.
The exercise in Least Squares will begin Monday, November 28. The text-book is Bartlett's "Method of Least Squares."

Theoretical Electricity.
Problems 21, 22 and 23 are due corrected or completed November 30.

Kommers.
Owing to the Thanksgiving vacation the regular Kommers dinner will not be held Saturday night, but beginning with a week from Saturday the dinners will be held regularly.

A new Technique given for the five best grinds.
