The Choice of Course Lectures which are being held during the present week no Freshman can afford to miss. Their importance to a man undecided as to his course is self-evident, but even to those who have already decided definitely they are of great advantage in helping him to a fuller understanding of his work and its relation to allied professions.

Dr. and Mrs. Pritchett will be at home at the Tech Union on Christmas Eve, December 24, to all students who will not be in their own homes.
