Over One Million Prescriptions. For 67 Years in One Place
We have a complete line of drugs, medicines, chemicals, acids, essential oils and fish oils, and we shall be pleased to quote close prices for large quantities.
We make a specialty of Wall Order Business and give special attention to all prescriptions of "old friends." Our prices are such that the average man can afford to buy his medicine at the wholesale price. The stock is always kept full, and nearly every drug brings you to the congested centre, which is so near our store. Washington and Tremont Street here draw close together, and the population thickens to the square yard. If you are in the State Street, Parkers, Tremont Temple, Court House, Faneuil, Kings Chapel, State House, Parker's, Tremont Temple, Court or School Streets, or on your way to either the NORTH or SOUTH UNION STATION, you are very near to the most complete stock of Drugs and Pharmaceutical Supplies in Boston. A drug store for over half a century. The last place in the city to have Prescriptions accurately prepared from fresh, pure drugs of standard quality.

COLLEGE NOTES.
At a meeting of the Athletic Committees of Leland Stanford and California Universities it was voted to do away with the rule regarding graduate coaches. Hereafter either university may employ any class of coach if he may choose.

Oxford and Cambridge have finally accepted the challenge sent by Yale, Harvard, Princeton and Columbia to compete in another international meet with the Isaac Rice trophy. The contest will probably take place April 12, 13 and 14.

The feature of the rowing regatta at Philadelphia, on May 20, will be the race for second "Varsity" eight-oared crews, in which Yale, Harvard, Penn, Cornell, Columbia, Syracuse, and possibly Georgetown will participate. This will be the first time in the history of rowing that all of these colleges have been brought together in rowing.

An estimate of Yale's receipts from football last season has been placed at $70,000. The college received as its share of the proceeds from the Princeton game about $22,000, $11,000 from the Columbia game and about $31,000 from the Harvard contest. This makes a receipt of about $94,000 for the three big games. From other games about $6,000 was received.

President Eliot of Harvard, in his recent report, shows that the University has suffered another deficit and appeals for aid. For two years now President Eliot shows, the University has run behind—"in 1902-03 with a deficit of $10,000 and 1903-04 with a deficit of $50,000. In spite of considerable economies, he predicts another inevitable deficit in the current fiscal year.

The Cornell hockey team has been disbanded for the season, on account of recent action taken by the Faculty.

The Williams football management has announced a balance of $750, which exceeds that of last year, by $400.
