COLLEGE NOTES.

A movement to raise $2,500,000 for Princeton University to install a system of tutors or preceptors to enable the teaching of students in small groups, has been inaugurated by the trustees.

Princeton has lost three of her best football players, Stannard, Ritter and Holden, through failure to pass their examinations. Five other men, Crawford, Burke, Poulke, Short and King, graduate in June. Unless 1909 brings a number of good men, this looks bad for Princeton's 1909 team.

Harvard expects J. P. Morgan to do much towards raising the alumni fund, of which the maximum estimate is $10,000,000 and the minimum $8,000,000.

Yale won the twelfth intercollegiate debate from Princeton, receiving the unanimous decision of the judges. Yale upheld the affirmative of the proposition that "The United States ought not permanently to hold territory it does not intend to admit to Statehood."

The Filipino students at the University of California, assisted by the judges of the Klondike, I spent last summer there and have some money to invest. Address Herbert Barnes, Manager.

I wish to communicate with young men who can accompany me next summer to the Klondike for serving Breakfasts, Luncheons or Dinners, and will cater especially for this trade.

Could You Go to the Klondike?

I wish to communicate with young men who can accompany me next summer to the Klondike.

I have the opportunity of a lifetime to the right young men: they must furnish boat of reference, be physically robust and not afraid of labor, and have some money to invest. Address Hiram Wrooman, 3 Park Square.
