There are still several men in the Junior Class picture who have not been identified. Leave names at the Cage for Technique '06.

There will be a meeting of the Chess Club at 1.15 o'clock, Saturday, March 11, in 11 Rogers. As important business, including the selection of a team and the changing of the constitution will be brought before the meeting, every member is urged to attend.

The following books are missing from the library of the Electrical Engineering Department and have presumably been taken by students who through oversight have neglected to hand in the proper card: Holman, Computation Riatios and Logarithms (three copies); Weber, R., A Graduated Collection in Electricity; Foster, H. A., Electrical Engineers' Pocket-book; Hawkins & Wallis, The Dynamo; Smith, E. W., Electrician's Manual of Diagrams. The department will be glad to have students ascertain whether they have any of these books in their possession.

The following men were elected to membership in the Civil Engineering Society: A. R. Cullimore, '07; H. B. Alvord, '07; C. E. Allen, '07; A. F. Stevenson, '07; W. D. Milne, '07; J. T. Gilmer, '07; O. W. Potter, '07; C. D. Howe, '07; H. P. Barrington, F. R. Van der Stucken, '07; W. H. Martin, '07; H. B. Hastings, '07.

Yale University will celebrate two important literary anniversaries this year. May 9, exercises will be held in memory of Schilder, who died May 9, 1904. The three hundredth anniversary of the birth of Sir Thomas Browne, author of "Religio Medici," will come October 19, and an address on his life and work will be given by an eminent authority.

Could You Go to the Klondike?

I WISH to communicate with young men who could accompany me next summer to the Klondike: I spent last summer there and own valuable interests; I can offer the opportunity of a lifetime to the right young men: they must furnish best of references, be physically robust and not afraid of labor, and have some money to invest. Address HIRAM VROOMAN, 5 Park Square.
