Boston is like a wheel. The spokes all lead to the Hub, and nearly every street brings you to the congested centre, which is so near our store. Washington and Tremont Street here draw close together, and the population thickens to the square yard. If you are in the State House, Parker's, Tremont Temple, Court House, Young's, Kings Chapel, City Hall, Tremont Bldg, Park St. Church, Subway, Tunnel, Park, Beacon, Court or School Streets,

or on your way to either the NORTH or SOUTH UNION STATION, you are very near to the most complete stock of Drugs and Pharmaceutical Supplies in Boston. A drug store for over half a century. The best place in the city to have Prescriptions accurately prepared from fresh, pure drugs of standard quality.

COOPER'S
SPRING NEEDLE
DERBY UNDERWEAR
RIBBED
FOR MEN OF REFINED TASTE

Is an underwear that appeals to men who wear good things. It is made of a fabric of remarkable elasticity, manufactured on the famous Spring-Needle Machine made by Charles Cooper and patented in nine countries.

The garments made from this fabric are of the finest yarns and their hygienic value is unsurpassed. They always retain their original shape even after the hardest wear. From first to last they maintain that same elegant, silky feel and easy, comfortable and natural fit. They are made in two-piece and union suits, and in various sizes, weights and colors.

Be sure to ask your retail dealer for the genuine Cooper Spring-Needle Underwear. If he doesn't keep it, refuse to purchase until you have seen our booklet "T" and samples of the Spring-Needle fabric. They are yours on request.

COOPER'S
DERBY UNDERWEAR

This trade mark is on every garment. Look for and insist upon it, or you will get one of the "other kinds" that is not "just as good."

CONKLIN'S
Self-Filling Pen.

Under Your Thumb
is the instantaneous cleaning and filling device which puts this pen in a distinct class by itself.

"The Pen That Fills Itself"
Conklin's Self-Filling Pen
with its self-filling, self-cleaning presser bar represents the one radical improvement accomplished since the first fountain pen was made. In comfort, convenience and cleanliness it is a full century ahead of the dropper filler or any other fountain pen on earth.
