Over One Million Prescriptions. For
67 Years in One Place
We have a complete line of drugs, medicines, chemicals and their materials, and we shall be pleased to quote close prices for large quantities.
We make a specialty of Mail Order Business and give special attention to prescriptions by mail.
Boston is like a wheel. The spokes all lead to the Hub, and nearly every street brings you to the congested centre. Within half a mile of the Hub, and nearly every street brings you to the congested centre. Three streets, Boylston, Washington and Tremont Street here draw close together, and the population thickens. A drug store for over half a century. The best place in the city to give special attention to all prescriptions and have Prescriptions accurately prepared from fresh, pure drugs of standard quality.

Over One Million Prescriptions. For the past fifty years. The best place in the city to have Prescriptions accurately prepared from fresh, pure drugs of standard quality.
