Over One Million Prescriptions. For 67 Years In One Place

We have a complete line of drugs, medicinals, chemicals, and essential oils and fish oils, and shall be pleased to quote prices for large quantities.

We make a specialty of Mail Order Business and give special attention to all prescriptions.

Boston is like a wheel. The spokes all lead to the Hub, and nearly every street brings you to the congested center, which is so near our store.

The Hub is a peculiar part of the city, where draw close together, and the population thickens to the square yard. If you are in the State House, Parker's, Tremont Temple, City Hall, Tremont Bldg., Park St. Church, Subway, Tunnel, Park, Beacon, Court or School Streets, or on your way to either the NORTH or SOUTH UNION STATION, you are very near to the most complete stock of Drugs and Pharmaceuticals Supplies in Boston. A drug store for over half a century. The best place in the city to have Prescriptions accurately prepared from fresh, pure drugs of standard quality.
