HATS
10% to Tech Students

The English High School Club held its first dinner at the Union last Friday evening. The affair was a decided success. There were thirty-four members present, including Head-Master J. F. Casey, and Instructor A. P. Walker, of the English High School, Messrs. Bradley, Humphreys, Mahan and Sawyer, and four "future Tech athletes" from the High School. The Club has sixty-nine members, sixteen being members of the Institute's Instructional Staff.

That the Tech Union is a firmly established feature and convenience of our student life can be denied by no one.

Nevertheless few of us realize just how great is the demand for the use of our president, Dr. Tyler, states that he is in good health and is enjoying his trip abroad.

The Tech offered an interesting and entertaining program which was given:

Mr. T. Frank Bell, spoke. Mr. Mahan said that he has spoken the English High athletes to good effect.
