Modern facilities were tested in a recent shipment of electrical apparatus to Mexico City, Mexico. The General Electric Company of Schenectady, N. Y., were informed by telegraph of the burning of a power house, and ordered to send complete new switchboard equipment. Within seven days the apparatus had been assembled and sent the 3,900 miles and was being installed.

Spring Announcement

Morse & Henderson
Tailors

18 Boylston Street

Dear Sir:

A. G. Morse and W. J. Henderson, for the past ten years with Geo. H. Lane, No. 18 Boylston Street, wish to announce to their patrons that they have taken Rooms 14 and 15, directly over the old stand at the same address, where they are prepared to show a complete line of foreign and domestic woollens from the leading houses, for spring and summer, for gentlemen's wear.

We earnestly solicit your patronage. Early orders desired.

Very truly yours,

MORSE & HENDERSON,
