We have a complete line of drugs, medicines, chemicals,法学, essential oils and fish sarsaparilla. We have a list of products from which to choose the best that can be supplied.

Boston is like a wheel. The spokes all lead to the hub, and nearly every street brings you to the congested center which is so near our location. On each street, here draw close together, and the population thickens in the square yard. If you are in the State House, Parker's, Tremont Temple, Court House, Young's, Kings Chapel, City Hall, Tremont Bldg., Park St. Church, Subway Tunnel, Park, Beacon, Court, or School Streets or on your way to either the NORTH or SOUTH UNION STATION, you are very near to the most complete stock of Drugs and Pharmaceutical supplies in Boston. A drug store for over half a century. The best place in the city to have Prescriptions accurately prepared from fresh, pure drugs of standard quality.
