A. H. SANBORN, Manager

The Civic Club desires to announce that it will hold its first meeting for the year on Tuesday, October 10, at 8 P.M., at the Tech Union. All members of the Club are urgently asked to attend, as matters of considerable importance relating to the Club's plans will be discussed. There will also be an informal discussion upon the question: "Is the Trust System Harmful to the Industrial Development of this Country."

Members are requested to take part in this discussion and if possible to prepare arguments upon either side. The Club also wishes to repeat its invitation to all Tech men

interested in civic or political matters or in debating to come and join in its activities. Its object will, as heretofore, be to give its members an opportunity both to hear and to express themselves upon many of the important topics of present day political life.
