wish to take up some Bible Study work, but do not wish to enter the courses offered by the churches.

A later issue will contain a list of the speakers for the weekly meetings, and also an announcement of the courses in Bible Study, which will open about the first of November.

Every one will recognize the impossibility of the Association men to find those interested in the work unless they show their interest by attending the meetings and supporting it financially. Consequently it is desired that all who are interested

in the aim and purpose of the Association show their approval in some definite way. At the organization meeting next Thursday noon, an opportunity will be given for any who wish to, to become members.

Those who will not be able to be present at the meeting Thursday noon may become members by applying to the Treasurer of the Association, W. H. Trask, Jr., '06, or to the chairman of the Membership Committee, H. H. Bently, '08, or to the Association Secretary at his office in Eng. Building B, from 1—3 p.m. daily, except Saturday. The dues of the Association are \$1.50 a year. Those holding memberships in other associations can have their memberships transferred.
