BASKET BALL PRACTICE.

The Basket Ball team was unable to get in much practice on Thursday and Friday of last week as the lights had not been installed in the new gymnasium and the baskets not yet hung. By today it is expected that the lights will be up and everything ready for regular practice. As the team is late in getting started practice will be held every afternoon at 4:30 in the Gym. Plenty of men should come out for either the varsity or second teams. The second team schedule is being made up, and the team will be worth making, if a man fails to make the varsity this year.

MEETING OF AM. CHEM. SOCIETY.

Lythgoe, '96; Executive Committee, Frederic Bonnet, Jr., J. W. Phelan, '84, J. W. Baird, R. F. Hosford, '97, J. O. Jordan; Councillors, Albert E. Leach, '96, Charles R. Sanger, James F. Norris. After the election Prof. S. P. Sharpless addressed the meeting on "Mineral Phosphates," and illustrated his points with stereopticon views. Refreshments were served toward the end of the evening.

BANJO CLUB REHEARSAL.

G. L. Lansing, who is leader of the Boston Ideal Club, led the Banjo Club at their rehearsal Thursday afternoon at four, in 45 Rogers. TICKET SPECULATION.

Yale's football officials are pressuring the chargers of speculation with tickets upon the undergraduates whom Pinkerton detectives have caught and some of the students may be expelled. One of the students caught is president of the freshman class of one of the departments of the university. The faculty will take up his case. Some of the professors said that they were in favor of expelling him. He at first denied the speculation but has finally admitted his guilt. This would be the first expulsion for speculation in football tickets, although many students have been blacklisted. A meeting of the senior class has been called and the seniors will take every means in their power to force the expulsion of the freshman class president guilty of selling tickets.
