ANNUAL CROSS COUNTRY RACE

To be Held Over West Roxbury Course

The fourth Annual Handicap Race of the Cross Country Association is to be held next Saturday over the West Roxbury course. The start and the finish will be at the corner of Bellevue and Rutledge streets, in West Roxbury. The first man will start at 2:30 p.m., and as the present record for the course, made last year by E. H. Lorens, '05, is forty-six minutes and forty seconds, the winner will finish about 3:30 p.m.

Prize cups are to be given to those finishing in the first, second and third places, and also to the man covering the course in the shortest time, regardless of handicap.

On Friday afternoon the men will be given a last chance to jog over the course. The time will be wound down at the usual time, 1:30 p.m.

The management asks that a large number of students come out to see the race, and support the contestants on their best efforts. Most of the men will leave the Back Bay Station, 1:30 p.m., and are expected to make the round-trip, 20 cents, be secured by getting tickets from the manager at the station, just before the train leaves.

The management of the Cross Country Association has decided to accept entries until Friday evening, and announces the following entries to date: D. Adams, '06; E. Allen, '07; A. O. Christiansen, '07; M. Terry, '08; and W. R. Tompkins, '08.

LOWELL INSTITUTE LECTURE.

The Fifth Course of the Lowell Institute lectures began last night in Huntington Hall, at 8 p.m. This Course is being given by H. Morse Stephens, M.A., on the subject, "The Enlightened Despotism of the Eighteenth Century in Europe." Last night about 300 people heard Mr. Stephens’ lecture on "The Period and Its Characteristics." The next subject to be taken up is "Frederick the Great of Prussia." This lecture commences on December 1, and the rest of the Course comes on the following Tuesdays and Fridays.

Mr. Stephens is a graduate of Oxford University and held a professorship at the University of California for some time. He is an authority on European History, and delivered a Lowell Institute course here in 1900.

TECH BUILDING RESTRICTED.

Technology is kept forever from erecting any building to cover more than one-third of the square occupied by the Tech Building. This full bench of the Supreme Court denying the motion of the Institute in 1900, the Board of Trustees, under the chairman of B. P. Wells and Mary I. Wells to modify the recup seat down on Sept. 6.

CANDIDATES FOR GRADUATION.

Must Make up Deficiencies in Modern Languages.

Student body of the Institute before 1909, but do not expect to become candidates for graduation until 1907 or later, will be expected in general to fulfil the same requirements as regular students who entered with the class of 1907. This refers particularly to new work introduced into the third year in connection with the increased entrance requirements in modern languages.

Such students are, accordingly, advised to compare their schedules of work completed, with the new course schemes with a view to determining and making up deficiencies. The several administrative officers may be consulted in case of doubt as to the interpretation of this requirement.

The above requirement does not apply to students who are now registered as in the third year of the regular course.

GIFT OF MINERAL COLLECTION.

Through the generosity of Dr. H. W. Newhall of Lynn, Mass., the Historical Society has added to its collection a number of interesting and valuable mineral specimens, which recently formed a part of a collection made a number of years ago by Dr. Newhall, father of the present donor. Among the specimens deserving special mention is a fine group of stibnite crystals, antimony trioxide, from the locality on the Island of Shikoko, Japan, also several excellent pieces of mimitite, a rare arsenic lead, from England. The gift also included a number of specimens which will be useful additions to the collection devoted to the practical de terminative work in mineralogy.

ARRANGE FOR SENIOR DINNER.

The Senior Board of Directors arranged for the class dinner, at a meeting held Tuesday at 4 p.m. in 34 Rogers. The dinner will be held on Friday, Dec. 15. The following committee of three was appointed for the dinner: S. C. Coey, H. L. Williams and L. P. Morey. This committee is to have charge of all details of the dinner.

CIVIL ENGINEERING SOCIETY.

The regular meeting of the Civil Engineering Society will be held Friday, Dec. 1, at 4:15 p.m., in 11 Eng. B. The speaker will be Mr. William P. Gerhard, who will speak on "Some Water Supply Sanitation." A full attendance is desired.

Mr. Gerhard is a prominent consulting engineer of New York City, and is an authority on questions of water supply sanitation as well as the author of a number of works on the subject. A large number of the Civil Engineering courses are invited to be present.

WINTER CONCERT AND DANCE.

Annual Affair of Musical Clubs to be held Friday, Dec. 2.

The Annual Winter Concert and Dance of the Musical Clubs to be held Wednesday, December 22, in the New Century Building, 177 Huntington Ave., is an affair given by Tech men for Tech men and their friends. The clubs sent the rent and the balloon of the auditorium, which has a seating capacity of 800, for the concert, and the large hall on the next floor above for the dance.

No expense is spared in the arrangements for the evening, the halls are decorated, a cheer-room provided, and refreshments served without cost. The clubs are in the best of condition this year and everything looks bright for one of the most enjoyable Winter Concerts ever given.

Men from every class are in the clubs, and the evening is one all students can ill afford to miss. All seats are reserved and the price is within the reach of everyone. The floor seats at $1.00, the ticket admitting the holder to both concert and dance, while the entire balcony at 50 cents admits to the concert.

Tickets are now on sale by the members of the clubs. These tickets will be exchanged for the regular reserved seat ticket in Rogers corridor, on and after Monday, December 18. Holders of these tickets will be given the preference in the choice of seats.

MUSICAL CLUBS’ CONCERT.

The third of the Musical clubs’ concerts was given before the Young Men’s Catholic Association last evening in Boston College Hall, 41 East Newton street. All of the clubs exhibited marked improvement and elicited much applause. The readings by Miss Walter and the solos by W. H. Jenkins, ’03, and A. J. Thompson, ’08, were especially appreciated.

The program was as follows:

"Winter Song"
