REDUCED RATES TO THE WEST

Owing to the numerous inquiries in regard to reduced rates to points west of Chicago during the holidays, the Western Passenger Association has issued certificates to Registrar Humphrey, by use of which students of the Institute who intend to spend the holidays at points West, may travel at much reduced rates. These certificates may be obtained at the registrar's office, where the registrar's signature must be attached in order to make them effective.

During the present academic year Harvard will have $60,094 from the special "Teachers' Endowment Fund" with which to pay her instructors. In time this special fund will yield $108,732, in addition to other funds set aside to pay instructors. This is the fund, being raised by the students under the guidance of Bishop Lawrence, in order to maintain the Institute.
