buffalo, will show the first of the
buffalo to be domesticated and used
as draught animals. A lake has
been constructed in the main hall,
where sportmen will give fly casting
exhibitions and hold contests in
nances in the triangular hall a brook
will flow from a dammed pond
where beaver, otter, and muskrats
will dwell, through a duck pond
where water fowl will be shown.

of birds, and all the fascinating
remnants of wild life will fully
occupy the tremendous space.

and interesting students of wild life,
and other entertainments will fully
fill every day.
