Announces Possible Purchase of Site for League Building.

President Pritchett said Saturday evening at the Kommers that the Corporation was considering the purchase of a large plot of empty ground between Berkeley and Clarendon Streets, opposite Lowell, as a site for the Walker Memorial Building. Dr. Pritchett does not believe that the gymnasium will be included in the main building, as a gym would destroy the modern function of the building, that of being a student club house. The gym will probably be built back of the Walker Memorial Building, so that it will not be a concrete part of the new building.

Dr. Pritchett expressed his regret at leaving the Institute, and gave an informal history of the beginning of the League, when the Carnegie Foundation for the Advancement of Science paid for a die of the new championship medals for the Harvard Scientific School on a par with records of Arthur F. Duffy. The contribution of $500 to the Olympic games fund was raised, as well as the appropriation of $800 for a die of the new championship medals to be awarded at the 1906 Olympic games.

On the recommendation of the executive committee it was decided to accept the applications of W. E. Brown, C. H. Boylston, G. M. Gilkinson, G. M. Dextor, S. F. Barton, W. W. Boynton, M. E. Allen, C. York, J. H. Harwood, W. E. Swett, E. V. Potter, C. W. Beam, B. 12: '06 and M. E. Ripley, R. C. Rice, M. Parsons, Yale, were accepted as members. The record of 1 minute 56 seconds for pole vaulting by W. H. Dray of Yale was accepted as the record of said Arthur F. Duffy.

The record of 11 feet 92 inches for pole vaulting by W. R. Drey of Yale, and the record of 1 minute 10 seconds for the mile by E. H. Parsons, Yale, were accepted as intercollegiate records, and these two athletes will receive record medals at the expense of the association.

The Intercollegiate Amateur Athletic Association of America held its annual Track Team Dinner will be held at 29 Walker Hall, on Monday evening, March 19, at 8 o'clock. Professor W. H. Walker will address the students of the Institute of Technology to attend a banquet dinner to be given at the South Armory, Irving Street, Boston, by the First Battalion, on Monday evening, March 19, at 8 o'clock.

The ticket will be 25 cents, and several good speakers have been obtained. The tickets will be 25 cents, and may be purchased at the Tech Union. New men are especially invited.
