At a meeting of the senior members of the Electrical Engineering Society held Tuesday, to take care of the death of Mr. Dodge. Messrs. Rowe and Whiting were appointed a committee to draw up arrangements to send suitable flowers on the day of interment, and to make arrangements for representation of the Society at the funeral.

M. A. C. A. MEETING.

HIGH SCHOOL COMMITTEE TO DINE.

A meeting of the Newton High School Club was held Wednesday evening in 11 Rogers, Wednesday evening, at 11 P.M., a dinner was served. The Junior class of the Boston Latin School were present. The committee appointed by the chair to have charge of the affair is composed of Mrs. Wood, '96, and Mrs. Whiting, '05. The following officers who followed the Newton High School, were re-elected: President, Gould, '07; Vice-President, Chipping, '97, Secretary and Treasurer.

C. A. A. NOMINATIONS.

There were no elections at the Cross Country Association meeting on Tuesday. The importance of those elections, since the association has become a member of the inter-collegiate association, is so great that nominations are reopened, and will close at the Cage on Friday, March 30, at 4 P.M. There will be a meeting of the Freshman Committee on Monday, March 26, at 1:15 P.M., in 26 Rogers. The matter of C.C. is to be considered at that meeting.

CHEMICAL SOCIETY MEETS.

And Listening to Interesting Lecture on Industrial Chemistry.

The Chemical Society held a meeting Wednesday evening, March 21, at the Tech Union. The meeting was called to order by President J. F. Norton, and the minutes of the committee on the Society Dinner reported, and it was decided to have the dinner at the Tech Union on Wednesday, April 18, at 6 P.M. There will be a business meeting immediately preceding the meeting, at which all members should be present. At this meeting will occur the election of officers for next year. Nominations ballot will be mailed to each member of the Sociers within the next few days, and candidates will be voted on before the dinner.

The President then introduced Miss E. B. RowE, of the Senior Class, who gave a very clear exposition of the subject on an interesting account of the method in which St. Louis is to be considered at that meeting.

Professor Hofman gave an interesting lecture Wednesday evening at 4 o'clock, in 2 Rogers, on the minor metals. He described their properties and the metallurgy of the metal, and their use in the making of some Coarse C.M. III. men, to whom the technical treatment of the subject was especially interesting.
