SOMERVILLE BEATS 1908.

Somerville High School defeated the 1908 team on Wednesday afternoon on the former's diamond, by the score of 2 to 0. The game was essentially a pitchers' battle in which the Sophomores took thorough advantage of the hits, while the home team succeeded in scoring through a fortunate bunching of hits in the seventh.

The score:

SOMERVILLE ----------------- 2

The gratifying success of the Show, especially in its attempt at characterization and in its dramatic element, prompts us to a Suggestion at Mr. Seaver's comment printed in another column.

The play for next year may well be outlined on a broader plan and a further development in the direction indicated by this year's success should certainly do much to make the Tech Show more worth while as a college production and not merely a money earner for athletics and the home team.
