CONSORTIUM GAMES FRIDAY.

The Athletic Association will hold a Consociation Meet next Friday at 4 p.m. at the Field, for all men who did not win points in the Spring Meet. Prices are to be given in each event, and, as Tech's best men are eliminated, there is an excellent chance for the non-point-winners to show their ability and have a good time. The events will be a 100-yard dash, 220-yard dash, 440-yard run, 1-mile run, and broad jump.

Experiments begun at Yale some years ago to extend the system of co-operative societies to the fullest extent among the students are being copied widely among the universities of the country. The Yale dining hall, which ran $90,000 behind three years ago, is now making about $10,000 a year.
